

The Wind Blew Sequencing Activity Instructions

Supplies

- **5 feet of yarn**
- **11 paperclips**
- **1 sheet of cardstock**
- **Crayons or colored pencils**

Instructions

- 1. Print images on sheet of cardstock, color and cut out along dotted line.**
- 2. Tie Paperclips onto yarn, trying to space out equally.**
- 3. Have your child attach the pictures to the paperclips in the order they remember the wind carrying away the items.**

Alternate activities:

- **Have children sort items in various categories.**
- **Have children sort items by size or colors.**
